

# INVITATION

## MEET ANCRA SYSTEMS AT MATERIAL HANDLING 2020 (Jeddah, Saudi Arabia)

Materials Handling Saudi Arabia is the only dedicated show in the region for professionals from every facet of the warehousing, intralogistics and supply chain sector.

And it focusses on multiple dynamic sectors including Logistics & Supply chain, Retail, FMCG, Automotive, Oil & Gas, and Pharmaceuticals, showcasing products and solutions.

Therefore Ancra Systems, the specialist in ATLS will bring the Automatic Trailer and Container Loading & Unloading Solutions to the fair, and help the above sectors to improve their productivity and efficiency.

We will show our full range of ATLS (Automatic Truck/Container Loading and Unloading Solutions) which can reduce the trailer (un)loading time to just **3-8 minutes!**

We will update our booth number for you soon.
